

SPOTS & DOWNLIGHTS 1

QUICK BOOK

BREVIS

Brevis is a small spotlight shaped in CNC from a full block of aluminium. With the luminaire body acting as the reflector at the same time allows this fixture to only have a diameter of 42mm. Combined with efficient lumen output provides for integration into numerous architectural solutions.

COLOUR	Brushed Aluminium
POWER	3W
CCT	3000K, 4000K, 6000K
BEAM	40°
MCADAM	<5
IP RATING	IP20
CRI	90+
DIMMING	Triac, 1-10V, Dali, r2m

Brevis A is an adjustable mini spotlight created from solid aluminium and shaped with CNC technology. It is then integrated with optical lens to create the required light distribution and beam angle. A compact and versatile range offering several lighting solutions.

COLOUR Brushed Aluminium/White

POWER 3W

CCT 3000K, 4000K, 6000K

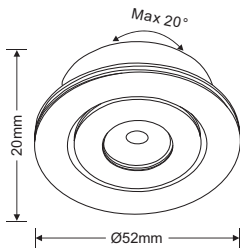

BEAM 15°, 30°

MCADAM <5

IP RATING IP20

CRI 90+

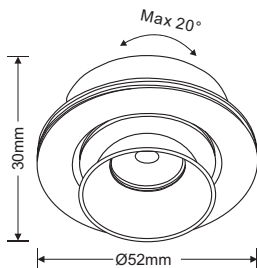

DIMMING Triac, 1-10V, Dali, r2m

BREVIS F

Brevis F is an adjustable mini spotlight that is manufactured from solid aluminium and shaped with CNC technology. It has an integrated cone that creates a precise beam angle avoiding lateral glare which make BREVIS F the ideal solution for showcases and focused lighting solutions.

COLOUR	Brushed Aluminium
POWER	3W
CCT	3000K, 4000K, 6000K
BEAM	15°
MCADAM	<5
IP RATING	IP20
CRI	90+
DIMMING	Triac, 1-10V, Dali, r2m

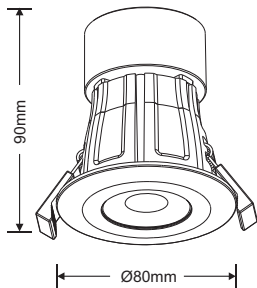

30,60,90

Bazi is the very highest specification full 90 minutes Fire rated recessed spotlight with a 38° beam-angle. Compact design with integrated driver, dimmable with leading or trailing edge dimmers, IP54/65 rated, 3000K/4000K/5000K different CCT available and 8 elegant rim finishes. With up to 840lm and CRI 80+ this is one of the most versatile spotlights currently available.

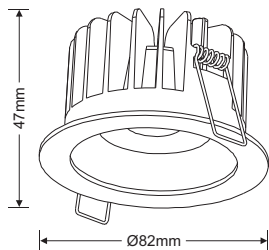

COLOUR	See Above
POWER	10W
CCT	2700K, 4000K, 5000K
BEAM	38°
MCADAM	<5
IP RATING	IP65
CRI	90+
DIMMING	Triac - Trailing/Leading

Beck provides great performance from a small fixture. An intelligent optical lens design, enhances further the superb performance of the CRI 90+ output from the LED COB. With advance engineering this has been combined with passive heat dissipation which improves performance giving a 50,000hrs guaranteed lifetime. Available in matt white and an exclusive completely chrome plated option.

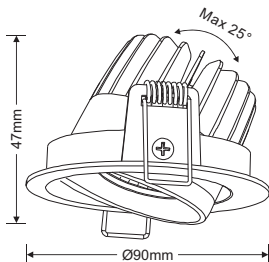

COLOUR	White/Chrome
POWER	6W, 10W
CCT	2700K, 4000K, 5000K
BEAM	24°, 36°, 60°
MCADAM	3
IP RATING	IP44
CRI	90+
DIMMING	Triac, 1-10V, Dali, r2m

Beck A provides great performance for a small fixture with a direction bezel. An intelligent optical lens design enhances further the superb performance of the CRI 90+ output from the LED COB. With advance engineering this has been combined with passive heat dissipation which improves performance giving a 50,000hrs guaranteed lifetime. Available in matt white and an exclusive completely chrome plated option.

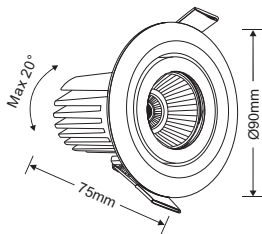

COLOUR	White/Chrome
POWER	6W, 10W
CCT	2700K, 4000K, 5000K
BEAM	24°, 36°, 60°
MCADAM	3
IP RATING	IP44
CRI	90+
DIMMING	Triac, 1-10V, Dali, r2m

BAMA R 12

Bama R 12 orientable reflector spotlight offers a high-performance LED light source within a frame producing by aluminium injection moulding. The Heat sink body in extruded aluminium produces efficient heat management and maximum reliability.

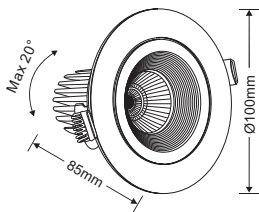

COLOUR	White
POWER	12W
CCT	3000K, 4000K, 5000K
BEAM	15°, 25°, 40°
MCADAM	3
IP RATING	IP44
CRI	90+
DIMMING	Triac, 1-10V, Dali, r2m

Bono 12 adjustable spotlight with optical reflector and high-performance LED light source. The black anti-glare cone effectively minimises the luminance when looking directly into the luminaire. This results in a concentrated ambient light with efficient glare control.

COLOUR	White
POWER	12W
CCT	3000K, 4000K, 5000K
BEAM	15°, 25°, 40°
MCADAM	3
IP RATING	IP44
CRI	90+
DIMMING	Triac, 1-10V, Dali, r2m

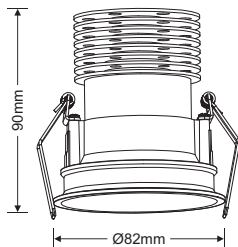

BANIA

 GL
 SL

Bania with only a 6mm trim and four different deep recessed reflector colour options is the ultimate Spotlight for lighting solutions integrated in to Architecture. Whether you use the 25° version for a focused light or the 60° option for a more smooth general illumination, the CRI 90+ integrated LED light engine will give you light that illuminates but you cannot see the source.

COLOUR	See Above
POWER	8W, 11W
CCT	3000K, 4000K, 5000K
