

The background is dark grey with a large, stylized red arrow pointing from left to right. On the left side, there is a vertical film strip graphic with a grid of small squares. The text 'TRACK SPOTLIGHTS' is centered within a horizontal red bar that overlaps the arrow.

TRACK SPOTLIGHTS

QUICK BOOK

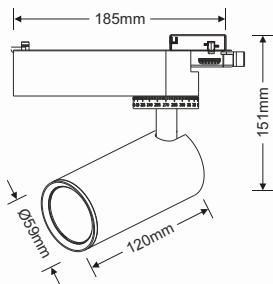

ALBA

Slimline LED track spot light for installation on 3 phase or 1-10V / DALI track and made entirely of die cast aluminum. 350° rotation and 90° inclination on horizontal plane allows maximum adjustment and flexibility.

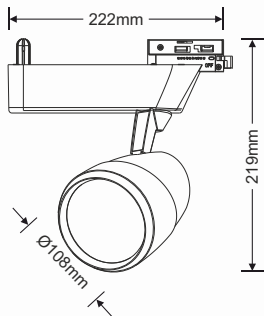

COLOUR	Black, White
POWER	9W, 15W
CCT	3000K, 4000K, 5000K
BEAM	16°, 24°, 36°
MCADAM	<3
IP RATING	IP20
CRI	95+
DIMMING	Phase Cut, 1-10V, Dali

Powerful LED track spot light for installation on 3 phase or 1-10V / DALI track and made entirely of die cast aluminium. With up to 3650lm output, it is a valid alternative to 70W metal halide. High performance optic system and CRI90+ for advanced professional utilization

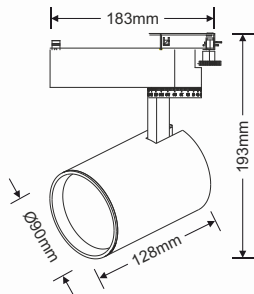

COLOUR	Black, White
POWER	20W, 30W, 40W
CCT	3000K, 4000K, 5000K
BEAM	16°, 24°, 36°
MCADAM	<3
IP RATING	IP20
CRI	95+
DIMMING	Phase Cut, 1-10V, Dali

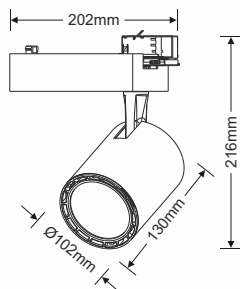

Axa makes full use of the many advantages afforded by LED technology to assure high performance and maximum energy savings. Optical components have been specifically developed to guarantee long-term reliability and extremely high lighting design standards.

COLOUR	Black, White
POWER	25W, 30W, 35W
CCT	3000K, 4000K, 5000K
BEAM	16°, 24°, 36°
MCADAM	<3
IP RATING	IP20
CRI	95+
DIMMING	Phase Cut, 1-10V, Dali

Lighting design comfort with maximum light output. The LED module is rearward facing in the optics unit to avoid any issues connected with direct glaring simultaneously increasing the optical performance. Compatible with 3 phase or 1-10V/ Dali Track system.

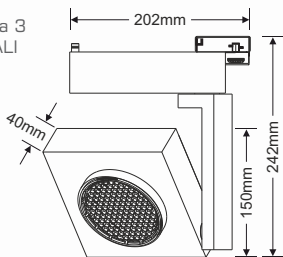

COLOUR	Black, White
POWER	25W, 30W, 40W
CCT	3000K, 4000K, 5000K
BEAM	16°, 24°, 36°
MCADAM	<3
IP RATING	IP20
CRI	95+
DIMMING	Phase Cut, 1-10V, Dali

Innovative lighting device with a synergy of values that complete and expand design characteristics combined with latest LED lighting technology and advanced optical performance. Can be installed on a 3 phase track system or combined with 1-10V or DALI track for individual light management.

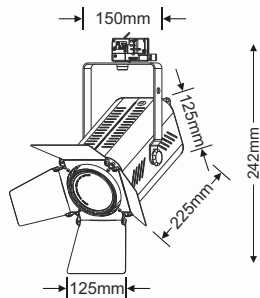

COLOUR	Black, White
POWER	20W, 30W, 40W
CCT	3000K, 4000K, 5000K
BEAM	16°, 24°, 36°
MCADAM	<3
IP RATING	IP20
CRI	95+
DIMMING	Phase Cut, 1-10V, Dali

Inspired by cinematographic lighting technology ABRI is the star of D'Lux when it comes to lighting performance in a robust housing with adjustable flaps. Installation on three-phase/DALI track or a ceiling-mounted base. Low MacAdam for guaranteed lighting uniformity.

COLOUR	Black, White/Black
POWER	20W, 30W, 40W
CCT	3000K, 4000K, 5000K
BEAM	16°, 24°, 36°
MCADAM	<3
IP RATING	IP20
CRI	95+
DIMMING	Phase Cut, 1-10V, Dali
