OVERVIEW

Deco's Banyan range has been deliberately designed to keep its frame shape, style and structure neutral, in keeping with a more classically traditional chandelier. The intention of this unassuming E14 candle collection is that the buyer can easily choose from a wider variety of different shades, to draw the eye and create feature, without distracting from the fixture itself.

Banyan AB IV

In order to offer a selection of shades fitted and tested to complement this range, the Serena shade collection has been designed with Banyan fittings in mind. Banyan offers a range of pendants, wall, table and floor lamps, each fitting is available in a number of different colour finishes.
